Fascinating Facts and Interesting Information about Cultural Diversity

We are proud to announce the release of our newly redesigned "Cultural Diversity" section Of the Web site.

You asked we listened! The new navigation architecture reflects the feedback from our associates at Marianjoy and Wheaton Franciscan Healthcare. Immediately you will notice streamlined menus, simple navigation and access to information about a specific culture.

Three things you'll love about the new Cultural Groups Section:

- **Landing Page:** [At a glance](#) see more than 20 cultures. One click on a culture of your choice will provide detailed information about that culture. Example [Native Americans](#)
- **End-of-Care Page:** Many factors including culture and ethnicity determine thoughts about death. [More>>>](#)
- **Diversity and Ethics:** Ethnic groups have different values about using treatment or artificial nutrition, Blood Transfusion. [More>>>](#)

Other Features

- **Search Box:** Powerful yet simple search feature, facilitating faster location of multiple sources and locations of information on our site about a specific subject or keyword (simple search box on all pages)
- **Site Map:** A visual model of a Web site's content in alphabetical order that allows the users to navigate through the site to find the information on a particular topic. [More>>>](#)
- **Ethnic & Religious Dates and Holidays:** Need information on a specific holiday? Click on any of the following links listed on our Web site.
