The following new Office 2010 classes are now being offered at the

Today's Reflection
A lie is a lie, even if everyone believes it. The truth is the truth, even if no one believes it.
~David Stevens

green
tip of the week

Pollution Prevention:
Buy a hybrid vehicle. While the vehicles cost a bit more upfront, in many cases the fuel savings can help offset that initial cost. Most hybrid vehicles are also eligible for a tax credit.

- Multilingual Resources
- Books & Articles
- Hot Topics
- Diversity & Ethics
- Health Literacy

Click on any of the above tabs for detailed information

Marianjoy Cultural Diversity Web site:

<http://www.marianjoylibrary.org/Diversity>

Under the following navigational tabs, you can access the following information:

- **Diversity: Home page**
 - “Did You Know” series
 - Definitions for culture, cultural sensitivity, cultural competence
 - Links for information on culture and health, culturally and linguistically appropriate healthcare, and health disparities
 - Health resources for minorities and associations
- **Cultural Groups:**
 - Information on various racial and ethnic groups and ethnic and religious holidays
 - Resources for providing culturally competent services
 - Health information about cultural, medical, and other issues pertinent to the care of immigrant and refugee groups
- **Multi-lingual Resources:**
 - Educational material available in various languages
- **Books and Articles:**
 - Access to full-text articles and e-books as resources for supporting the development of skills and techniques needed to work and communicate effectively with clients and other health professionals in a multicultural environment
- **Hot Topics:**
 - Various resources and clips covering diversity in regards to end of life concerns, health resources for minorities and associations

Other Sections of the Diversity Webpage:

MedlinePlus Multilingual: Allows you to search for health information in languages other than English

Diversity & Ethics: Links to websites regarding various ethical medical issues related to a diverse multicultural patient population

Health Literacy: Definitions of “Health Literacy” and links to several resources for detailed information on the topic
